About Us

Quick Overview

-  Kanguro is an Insurtech that serves Hispanic consumers in the U.S.
-  We focus on underwriting and marketing insurance products, starting with pet insurance and wellness plans.
-  Soon: Renters Insurance (*Second Kanguro product*).

About Us

Kanguro was created by Latinos for Latinos, modernizing your experience with the insurance world. Our main focus is to bring value to your life with coverages designed for your every day. Con Kanguro, siempre estarás Seguro.

Kanguro's founders launched in 2021 to make a difference after using and working with the insurance offerings that are available today. Proud parents of Oliver and Tobias their furry family members, all born and raised in Latin America and now living in the USA.

They have been pet lovers their whole life's and have always known what that means when it comes to vet bills. Being insurance and finance specialists, they are looking to make a difference in the life of all Latin Americans in the USA with well-priced insurance coverages for their everyday needs starting with an accident and illness plan for your cat or dog.

Our Value Proposition

- 1 We are the only insurtech that offers an end-to-end experience, 100% in Spanish and 100% digital,** with a team of real people serving the needs of our customers.
- 2 We provide a frictionless experience. Easy to understand, easy to buy and easy to claim.**
- 3 The social give back component:** we donate part of the premium to Hispanic organizations that help thrive the community forward, global warming foundations, or animal shelters. it´s your choice.
- 4 Kanguro Community:** stay connected to other Kanguro members and schedule play dates, ask each other anything about how-to and more.

Vision

To modernize the insurance experience for Spanish speaking Americans.

Mission

To seamlessly connect Spanish speaking Americans with the best in class insurance coverage for their everyday needs.
